

# BOOK 3

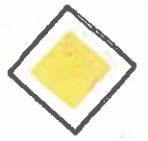

## TEST

**The following questions are additional questions for the Learners Licence Computer test.**

**1. When travelling on a road with this sign, it indicates to the driver that...**

- a) He/she has the right of way at the intersections ahead.
- b) Traffic from the other directions and roads have right of way
- c) He/she should yield to traffic from the right.

**2. This sign can be found at the beginning of a...**

- a) Single Freeway
- b) Bridge
- c) Dual Freeway

**3. This road sign indicates to the road user that ...**

- a) He/she may not park there because it is a reserved parking.
- b) He/she may park there facing any direction.
- c) No motor cycles shall proceed beyond this point.

**4. What is the purpose of this sign?**

- a) Only vehicles with special permission must drive straight on.
- b) To indicate that you must proceed straight only.
- c) To indicate that there is a one- way carriageway to the left

**5. This sign shows you that...**

- a) There is a picnic spot at the next intersection
- b) Heavy vehicles must turn left at the next intersection
- c) You may use this area for stopping in case of failed brakes.

**6. This sign shows the driver of the vehicle that...**

- a) There is an alternative route at the next intersection to the right.
- b) The road turns to the right only
- c) At the next intersection the driver must turn right.

**7. This road marking indicated to drivers that..**

- a) Drivers should proceed straight only if it is safe to do so
- b) They may proceed only in the direction indicated by the arrow
- c) They may proceed to the left only if the lane on the left is clear.

8. This road marking warns that...

- a) no overtaking is allowed
- b) the right lane is a one-way
- c) the right lane is a reversible lane

9. This sign indicates that...

- a) the lane is for slow moving traffic only
- b) this lane is for fast moving traffic only
- c) you may drive there

10. This sign indicates to the driver that there...

- a) is an obstruction in the road 1 km ahead that affect the traffic movement
- b) are obstructions in the road for 1 km
- c) are road works within 1 km

11. This sign indicates to the driver of the vehicle that...

- a) the minimum speed limit in the right hand lane is permanently 80 km per hour
- b) the minimum speed limit in the right hand lane is temporarily 80 km per hour
- c) the minimum speed limit in the right hand lane is 80 km per hour

12. This sign shows to drivers that...

- a) They must use that part of the road
- b) That part of the road is reserved for pedal cyclists
- c) There is parking for cyclists there.

13. Before this road marking one would usually find the following sign...

- a) level crossing ahead
- b) A marked pedestrian crossing ahead
- c) You must be on the lookout for cyclists

14. This sign shows you that...

- a) The taking of photographs is not permitted
- b) There is a camera monitoring the intersection at the traffic light
- c) There is a photographic studio

15. This sign indicates that...

- a) The driver must stop first before turning right
- b) The driver must turn right at the robot
- c) The vehicles who want to turn in the direction of the flashing arrow may do so, but other vehicles must stop.

16. When you see this sign you know that...

- a) You may not drive in this lane with a motor car.
- b) You may drive in this lane in a car provided there are at least four occupants.
- c) You have to travel 12 km to the nearest rest rooms.

17. When approaching this sign, the driver knows that...

- a) the people driving on the left side of the road must turn left.
- b) A lane is added to the left of a two-way roadway
- c) Vehicles may be overtaken on the left side from there on.

18. This sign indicates to the driver that...

- a) Buses, midi buses and mini buses may not use this road.
- b) Any vehicle may use that road when the road is not busy.
- c) Buses, midi buses and mini buses have to use that road.

19. You may not ....

- (i) run the engine of your vehicle unattended.
- (ii) use your vehicle without a fuel tank cap.
- (iii) spin the wheels of your vehicle when pulling off.

Select the correct combination

- a) None of the above are allowed
- b) Only (ii) is not allowed
- c) Only (i) and (ii) are not allowed

20. When is overtaking prohibited?

- a) When approaching any place where visibility is poor
- b) When driving at night
- c) When driving on a multi-lane roadway

**21. The lights of your vehicle parked on a public road between sunset and sunrise need not be kept lighted when the vehicle is parked...**

- (i) 10 m from a lighted street lamp
- (ii) next to the roadway of the road
- (iii) in a demarcated parking area

Choose the correct combination:

- a) only (ii) and (iii) are correct
  - b) Only (i) and (iii) are correct
  - c) All of the above are correct
- 

**22. When must a driver of a heavy motor vehicle use driving signals to warn other road users?**

- a) Only at night
  - b) It is not compulsory to give warning signals
  - c) When he/she intends to stop or turn to the left or right.
- 

**23. The duty of the driver when re-filling the fuel tank with petrol or inflammable fuel?**

- a) The driver may not cause or allow the engine to run whilst petrol or other inflammable fuel is being transferred into the fuel tank
  - b) He/she may start the engine whilst the petrol or other inflammable fuel is being transferred to check if the fuel tank is full.
  - c) He/she may only allow the engine to run if diesel is being filled
- 

**24. What type of heavy motor vehicle or combination of motor vehicles are restricted to travel at a maximum speed of 80 Km/h?**

- a) An articulated motor vehicle of which the gross combination mass of truck-tractors exceeds 9 000 kg.
  - b) Only vehicles carrying goods which belong to the government and traffic police.
  - c) Any heavy motor vehicle carrying goods.
- 

**25. You may ...**

- a) allow a passenger to give hand signals on behalf of the driver
  - b) Allow a child to sit on the passenger's lap on the front seat
  - c) Put your arm out of the window only to give legal hand signals.
- 

**26. When is it permissible to park in a "no stopping" area?**

- a) It is not permissible to park where stopping is not permitted
- b) Only if no other parking area is available
- c) Parking is permissible; however, only stopping is not permissible.

27. When must the parking lamps of a vehicle be switched on when you park it?

- a) When visibility is poor
  - b) After sunset and when more than 12 m <sup>from</sup> for a lighted street lamp
  - c) When driving in mist or fog
- 

28. Where may you legally stop your vehicle?

- a) 5 m from a pedestrian crossing
  - b) 4 m from a tunnel
  - c) 6 m from a railway crossing reserve
- 

29. When is it permissible to encroach on the right-hand of the roadway with traffic travelling in both directions?

- a) Only when visibility is good
  - b) During the daytime
  - c) When permitted by a road traffic sign
- 

30. Whilst the vehicle is in motion the driver may...

- a) Hold a cell phone provided the driver keeps at least one hand on the steering wheel
  - b) Type an SMS
  - c) Not hold a cell phone with any other part of the body
- 

31. When may a person or animal sit or stand on a roof or running board of a moving vehicle?

- a) No person or animal may occupy the roof, running board or any other place on top of a vehicle whilst it is in motion
  - b) Only animals may be carried on the roof of a vehicle
  - c) Only when there is no space inside the vehicle.
- 

32. A heavy motor vehicle must be equipped with an efficient exhaust silencer which...

- a) keeps noise to minimum level
  - b) Does not emit exhaust gas or smoke from the engine which is so dense that it obstructs the vision of other road users.
  - c) Emits a colourless gas.
- 

33. To enable the driver to monitor the traffic situation he uses the ...

- a) Mirrors
- b) Speedometer
- c) Gear lever

**34. Which statement is true?**

- a) No person shall operate a vehicle on a public road in such a manner as to cause excessive noise.
  - b) A person may only drive a motor vehicle in such a way that it causes excessive noise in an urban area.
  - c) A person may only drive a motor vehicle in such a way that it causes excessive noise outside built up area.
- 

**35. How far may you park from the left edge of the road way outside an urban area?**

- a) Not more than 450 mm from the edge of the roadway
  - b) Not more than 1 m from the edge of the roadway
  - c) A vehicle may not be parked in the roadway unless in a parking area.
- 

**36. The driver of a vehicle shall not cross a public road unless...**

- a) he/she looks and signals his/her intentions and then moves onto the roadway.
  - b) The road is clear of moving traffic for a sufficient distance to allow him/her to cross the road without obstructing any traffic
  - c) He/she looks into the rear view mirror, engages gears and accelerates, so that he/she can enter the road.
- 

**37. What type of requirement is compulsory regarding triangles on motor vehicles?**

- a) every heavy motor vehicle with a GVM exceeding 3500 kg must carry emergency warning signs (triangles)
  - b) Only vehicles carrying passengers for reward must carry triangles
  - c) Triangles are not compulsory.
- 

**38. What should a driver consider when following another vehicle?**

- a) the driver should follow at a safe distance and be able to stop the vehicle safely in an emergency situation or should the vehicle in front slow down or stop.
  - b) The driver should be able to see the rear of the tyres of the vehicle in front.
  - c) The driver should follow another vehicle keeping three car lengths behind.
- 

**39. Trailers of which the gross vehicle mass does not exceed 10 000kg...**

- a) Shall be fitted with yellow reflective material to the sides of the vehicle only.
  - b) Shall be fitted with yellow reflective material to the sides and the rear of the vehicle.
  - c) Are not required to fit reflective material to the vehicle.
- 

**40. When flags have to be used to indicate projections...**

- a) They must be red, and at least 300 mm x 300 mm.
- b) They may be any colour as long as they are visible.
- c) They must be any size red flag.

**41. How far behind a vehicle should the warning triangle be placed?**

- a) At least 100 m
- b) At least 45 m.
- c) At least 30 m.

**42. This sign indicates to a driver that a high speed exit is...ahead.**

- a) 2 km
- b) 20 meters
- c) 200 meters

**43. What is the function of the line WM2?**

- a) It's a dividing line.
- b) It warns the driver to slow down.
- c) It tells the driver that the road will be splitting.

**44. What action must you take when you see this sign?**

- a) Warn drivers of cyclist ahead for the next 2 km
- b) Slow down and be on the lookout for cyclist who may be using or crossing the road for the next 2 Km
- c) You must drive behind cyclists for the next 2 Km

**45. This sign shows the driver that ...**

- a) A goods vehicle may not overtake any other vehicle.
- b) Motor vehicles may not overtake goods vehicles.
- c) There may not be any overtaking by goods vehicles.

**46. This sign indicated to the driver of the vehicle that ...**

- a) There are heavy vehicles entering the road from the left.
- b) She/he is entering a highway.
- c) Two additional lanes are added to the road, without a reduction in the total number of lanes.

**47. A temporary sign...**

- a) Is of less consequence to road users than a permanent sign.
- b) Need not be taken seriously at all times of the day.
- c) Has the same legal significance as a permanent sign.

**48. What is the purpose of this sign?**

- a) To regulate the speed of heavy vehicles
- b) To show the maximum speed Vehicles can travel.
- c) To regulate the minimum speed of traffic

49. What is the purpose of an accelerator?

- a) It is used to turn a vehicle in an emergency
- b) It is used to stop a vehicle
- c) It is used to increase or decrease the speed of a vehicle

50. This sign indicates that...

- a) only pedestrians are allowed in this area
- b) children may be crossing
- c) pedestrians have priority and only delivery and emergency vehicles allowed

51. This sign indicates...

- a) How much toll you will have to pay
- b) a toll road and an alternative for a toll road
- c) which way all vehicles must go

52. This road marking warns the driver that ...

- a) there is a pedestrian crossing in the road.
- b) there is a speed hump in the road
- c) he/she must lookout for a level crossing

53. This road marking shows you that...

- a) a lane reserved for buses only
- b) traffic may not pass it on either side
- c) you can pass slow moving trucks

54. The flag signal that is being shown, is instructing the driver to...

- a) Proceed
- b) Stop
- c) Drive slowly

55. This road sign shows that...

- a) Delivery vehicles may not park there from 09h00 to 16h00
- b) All delivery vehicles may park there in those times
- c) Heavy goods vehicles may not drive there between those times.

**56. What should the driver do before opening the door after having parked in a marked parking space next to the roadway?**

- a) Check the appropriate blind spot.
  - b) Apply the parking brake.
  - c) Allow the passengers to get out first.
- 

**57. Which statement is true?**

- a) A heavy vehicle may be used on a public road with an ineffective fuel cap, as long as the driver will not be travelling fast.
  - b) A heavy vehicle may be used on a public road with an ineffective fuel cap if the tank is not full and the opening is closed with a rag.
  - c) A heavy vehicle may not be used on a public road if the fuel tank is not fitted with a fuel cap.
- 

**58. What type of brakes must be fitted on a heavy motor vehicle?**

- a) Service Brakes
  - b) Service brakes, parking brakes and emergency brakes
  - c) Parking brakes
- 

**59. What is the purpose of rear view mirrors?**

- a) To allow the driver to monitor the traffic situation in the rear.
  - b) To help shave or put make up.
  - c) To assist the driver.
- 

**60. What is the maximum blood alcohol level for a Professional driver?**

- ☒ a) 0.02 grams of alcohol per 100ml of blood
  - b) 0.05 grams of alcohol per 100ml of blood
  - c) 0.08 grams of alcohol per 100ml of blood
- 

**61. What is the maximum permissible blood alcohol concentrate?**

- a) 5.00 grams of alcohol per 100ml of blood
  - b) 0.05 grams of alcohol per 100ml of blood
  - c) 0.50 grams of alcohol per 100ml of blood
- 

**62. A vehicle is considered abandoned by the driver...**

- a) the vehicle has been left on any road for more than 7 days
- b) such a vehicle is left on a public road for 24 hours
- c) Vehicle left in the same place for more than one month

63. When is it permissible to drive with the engine uncovered?

- a) The engine may be uncovered during the daytime.
- b) The engine may be uncovered providing that it is not noisy.
- c) The engine must be so covered that it is not a source of danger.

64. What is the function of the clutch?

- a) It is used to disconnect the engine from the transmission
- b) It is used to reduce the speed of a vehicle
- c) It is used to freewheel down a hill

65. Which statement is correct?

- a) A heavy motor vehicle may be fitted with a spot lamp to add an extra beam for when it rains
- b) A heavy motor vehicle may not be used on a public road if it is fitted with a spot lamp that can emit a beam of light that can be deflected in any direction
- c) A heavy motor vehicle may be fitted with a spot lamp to warn others of road works.

66. This signal has the same significance as a...

- a) Cul-de-sec sign
- b) Yield sign
- c) Stop sign

67. This sign indicates the limit of?

- a) The minimum mass load of all axles
- b) The maximum mass load of all axles
- c) An axle's mass load

68. This sign shows the road user that...

- a) There is an exit to the right.
- b) The road is splitting.
- c) The two lanes are merging.

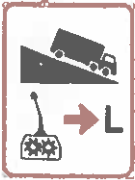

69. Where do you find this sign?

- a) On any public road indicating single exit lanes
- b) On a freeway indicating dedicated exit lanes
- c) Only in town or suburbs

70. This sign advises drivers of heavy vehicles...

- a) That they should be travelling at the lowest gear
- b) That learner drivers should not drive there as it is too dangerous
- c) To engage the lower gear to keep to a lower constant speed and prevent brake overheating.

71. The flag signal being show, is instructing the driver to...

- a) Proceed
- b) Stop and pass on the right side when it is safe to do so
- c) Be careful of construction vehicles

72. This sign warns road users...

- a) of possible presence of cattle on the road
- b) that ox carts may be found on that part of the road
- c) that cows may cross the road at night

73. What does this sign stand for?

- a) Abnormal Vehicles only
- b) Ambulance only
- c) Agricultural Vehicles only

74. This sign indicates to the driver that...

- a) One lane is splitting into a dual lane
- b) Lanes are meeting
- c) There is a one- way traffic ahead

75. What is the duty of a driver regarding pedestrians crossing within a pedestrian crossing?

- a) A driver must yield right of way to a pedestrian crossing.
- b) A driver must yield to all pedestrians wishing to cross or enter a public road.
- c) A driver must only stop for a pedestrian wishing to enter the roadway at a pedestrian crossing.

76. What must you use to shift from one gear to another?

- a) Parking brake and clutch
- b) Foot brake and gear lever
- c) Gear lever and clutch

**77. What are the requirements for exhaust silencers?**

- a) Exhaust silencers must be professionally checked once a year.
  - b) Driver must ensure that no gas or smoke leaks into the cab or passenger compartment of the vehicle.
  - c) The exhaust silencer must not allow the gas or smoke to be emitted to the right rear of the vehicle.
- 

**78. What is the purpose of the gear lever?**

- a) To select the appropriate gear
  - b) To drive down a steep decent
  - c) To assist with braking
- 

**79. No person shall...**

- a) Be on foot while waiting for a taxi.
  - b) Be on foot on a freeway under normal circumstances
  - c) Be on foot while hitch hiking
- 

**80. What is the function of a parking brake (handbrake)?**

- a) To assist parking a motor vehicle with faulty brakes.
  - b) To assist in negotiating a U-turn.
  - c) To keep a parked vehicle stationery.
- 

**81. When is it required to give driving signals?**

- a) When the driver intends to stop or turn to the left or right a visible signal must be given.
  - b) Only when turning right.
  - c) Signals are only necessary at night.
- 

**82. When driving a motor vehicle, what is the minimum safe following distance to maintain when following another vehicle?**

- a) a distance determined by means of the two second rule.
  - b) A driver may drive as close as possible so that over-taking is easier.
  - c) Five meters at 100 Km/h
- 

**83. Any person under the influence of intoxicating liquor or a drug...**

- a) may occupy the driver seat of a motor vehicle of which the engine is running as long as the vehicle is stationery.
- b) May sleep in the driver seat of a motor vehicle while the engine is running.
- c) May not occupy the driver seat of a motor vehicle of which the engine is running.

84. When a vehicle is travelling in the right hand lane, as shown in this sign, the driver must...

- a) drive slower than 60 Km/h.
- b) Drive faster than or drive 60 Km/h.
- c) Overtake vehicles in the right lane that are travelling slower than 60 km/h.

85. This type of sign is known as...

- a) A regulatory sign.
- b) A warning sign.
- c) An information sign.

86. When may a motorcycle pass another motorcycle in the same lane?

- a) at all times.
- b) Only in an urban area.
- c) Never

87. The use of temporary sign implies that for some reason...

- a) The rules of the road do not apply.
- b) Circumstances on the roadway are not normal.
- c) Traffic has to move slowly

88. When you see this sign, it means that ... must use that portion.

- a) all two wheeled vehicles
- b) only animal drawn vehicles
- c) only horse drawn vehicles

89. Where can this sign be seen?

- a) At Hospitals
- b) Near a one-way
- c) On any road

90. You violate the traffic law if you ride your motor cycle or motor tricycle...

- a) with a code 1 learners licence
- b) carrying a passenger while you have only a code 1 learners licence.
- c) with a code 1 learners licence and you are 18 years old.

**91. A heavy motor vehicle must be equipped with an efficient silencer which...**

- a) must be so maintained that it does not cause a vibration in the cab
- b) does not have to be maintained as long as it does not make noise
- c) must be so maintained that the smoke or gas does not leak into the cab or passenger compartment of the vehicle

**92. When seeing this sign the driver is informed that...**

- a) there are no cell phone reception for 500 meters
- b) there is an emergency phone 500 meters ahead in the road
- c) there is a public pay phone ahead

**93. This road marking indicates...**

- a) Planes having problems may land here
- b) That drivers must beware of low flying aircraft
- c) That the lane will take you to the airport

**94. This sign warns against...**

- a) the possibility of falling rocks
- b) road works
- c) a steep decline

**95. This sign is found on public roads where the direction of traffic is...**

- a) restricted to the left only
- b) restricted to one way only
- c) restricted to two way traffic only

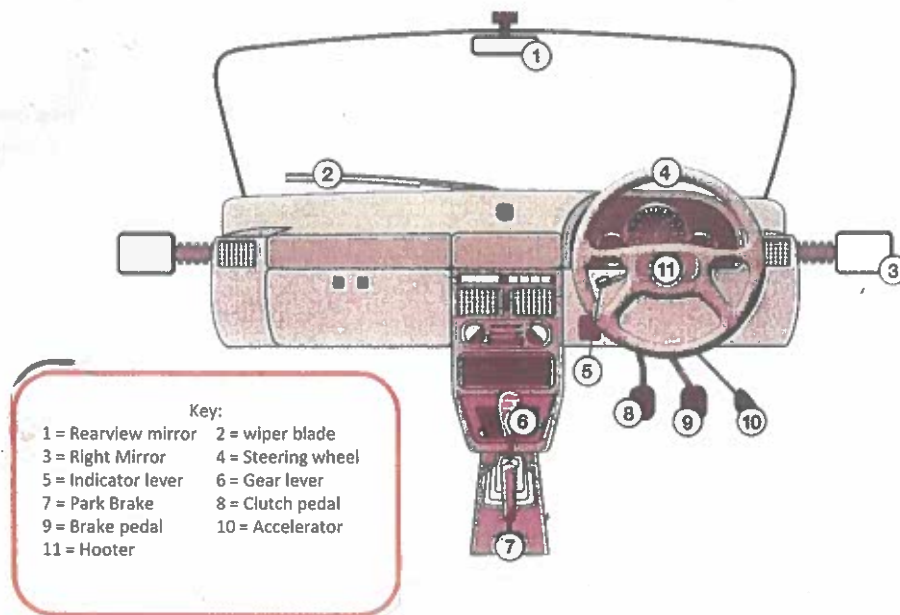

**96. Where will you find this sign?**

- a) at intersections and pedestrian crossings
- b) Near schools
- c) on a freeway

Study the diagram below and answer the following questions.

97. Control no. 4 is the...

- a) Parking brake
- b) Direction indicators
- c) Steering wheel

98. Which control on the sketch, is used to disconnect the engine from the transmission

- a) 8
- b) 9
- c) 10

99. When intending to change direction the following controls must be used...

- a) 1+3+5
- b) 1+8+9
- c) 3+6+10

100. Which control is used when it is raining?

- a) 8
- b) 5
- c) 2

101. When control number 9 is used, the distance it takes the driver of a motor vehicle to stop is.....

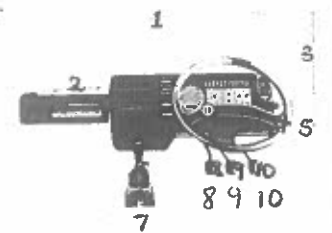

- (i). longer on a wet road than on a dry a road
- (ii) longer if the vehicle is travelling at a higher speed
- (iii) longer if the vehicle is loaded

SELECT THE COORRECT COMBINATION

- A. All of the above are correct
- B. None of the above are correct
- C. Only (i) is correct

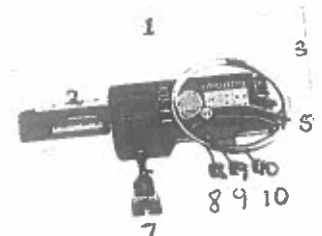

102. The following control is used to change the direction of the vehicle.

- A. 6
- B. 4
- C. 5

103. The .....warns other road users of your intention to steer to the right or left, or turn to the right or left.

- A. 5
- B. 7
- C. 11

104. This road sign commands that only.....may use this part of the road.

- A. Midi buses
- B. Abnormal vehicles
- C. Delivery vehicles

105. What is the purpose of this road sign?

- A. To indicate that a freeway begins at the sign and that the rules that apply to freeways are effective from here.
- B. To indicate that a single- carriage freeway
- C. Bridge

106. This road sign informs you of what?

- A. U-shaped curve ahead to the right
- B. A gently curve ahead to the right
- C. A sharp curve ahead to the right

107. What does this road sign command?

- A. Cyclists may not use this part of the road indicated by this sign
- B. Two wheeled vehicles may use this part of the road.
- C. Cyclists may use only the part of the road indicated by this sign.

108. This road sign warns you of a .....

- A. Primary school ahead
- B. Traffic signals ahead
- C. Pedestrian crossing ahead

109. The appropriate reaction to this sign is to.....

- A. stop, as the road is closed
- B. turn around as the road ends
- C. slow down and prepare to stop if necessary

110. This road sign commands that this part of the road may be used by.....

- A. Cyclists and pedestrians only
- B. Bikers only
- C. Elderly people on bicycles only

111. When moving off from a stationary position at the side of the road, what is the responsibility of the driver?

- A. The driver must ensure that it is safe and he/she will not interface with traffic approaching from any direction.
- B. The driver must join other traffic as quickly as possible
- C. The driver must indicate his/her intention and then move off

112. The road marking tells you that.....

- A. you may never park next to the road indicated by black arrow
- B. you may not stop next to the road over there
- C. the road is under construction

113. When is it permissible to park in a "no stopping" area?

- A. Parking is permissible, however, only stopping is not permissible
- B. Only if no other parking area is available
- C. It is not permissible to park where stopping is not permitted

114. When the driver sees this sign, he/she must.....

- A. turn left at the next road if he/she drives a delivery vehicle
- B. turn left if he/she drives a goods vehicle
- C. turn left at the stop sign

115. You may not.....

- (i) run the engine of your vehicle unattended
- (ii) use your vehicle without a cap on the fuel tank
- (iii) spin the wheels of your vehicle when pulling off

SELECT THE CORRECT COMBINATION

- A. Only (i) and (ii) are correct
- B. Only (ii) is not allowed
- C. None of the above are allowed

116. When seeing this sign the driver knows that he/she must.....

- A. proceed on the left side of the road
- B. keep in the left lane only
- C. pass to the left of the obstacle on which the sign has been placed

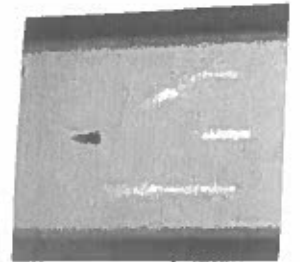

117. Which of the following statements is correct? A silencer.....

- A. need not be fitted
- B. with a small hole is acceptable
- C. must be fitted to a vehicle to restrict engine noise to acceptable levels

118. What will this road marking indicate to the driver?

- A. No overtaking is permitted
- B. Lanes are reducing from the right
- C. The vehicle in the right hand lane has right of way

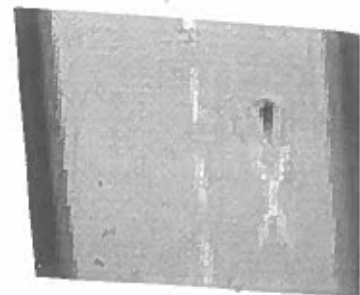

119. Which one of the following statements is correct?

- A. Pedal cycles are not permitted on a freeway
- B. Racing cycles may be ridden on a freeway during the day only
- C. Pedal cycles may not be ridden on the shoulder of the freeway

120. This road marking warns you that.....

- A. you will have to change lanes ahead
- B. a railway line will be crossing the road at the same level
- C. *you may not enter this parking area*

121. When you only have a learners licence for a heavy motor vehicle.....

- (i) then there must be someone with you in the vehicle with the same driving licence
- (ii) you are not allowed to drive on a freeway
- (iii) no passengers are allowed with you in the vehicle

SELECT THE CORRECT COMBINATION

- A. all of the above are correct
- B. Only (i) is correct
- C. Only (i) and (iii) are correct

122. This sign shows to riders of motor cycles that.....

- A. they have preference in that part of the road
- B. they must use that part of the road
- C. there is a parking for motor cycles there

123. This sign indicates that.....

- A. this lane is for fast moving traffic only
- B. you may drive there
- C. this lane is for slow moving traffic only

124. What should be your reaction when you approach this road sign?

- A. Switch headlights on
- B. Turn up the volume of your stereo
- C. Drive at high speed

125. Where can you discover this road sign?

- A. At any road
- B. At a railway crossing or roadway ahead
- C. On rural roads

126. On which side of roadway may you drive if the roadway is wide enough without endangering other traffic?

- A. A driver shall drive on the left hand side of the roadway
- B. A driver may encroach or drive on the right –hand side of the roadway if the car in front is driving slowly
- C. A driver may driver on the right-hand side provided there is no traffic

127. This sign indicates.....

- A. Information to road traveler
- B. Sequence of services and facilities
- C. Break down and car pick up 59km away
